

# STAY SAFE ON SOCIAL MEDIA

## 10 SMART CYBER HABITS

01

### KEEP YOUR ACCOUNTS

#### PRIVATE

Private profiles give you control over who sees your content.

### DON'T OVERSHARE PERSONAL DETAILS

Birthdays, school names, routines, and family info help attackers profile you.

02

03

### DON'T CLICK SUSPICIOUS

#### DMS OR "GIVEAWAYS"

Most fake contests are phishing attempts designed to steal accounts.

### REVIEW YOUR FOLLOWERS

#### REGULARLY

Remove people you don't know or don't trust anymore.

04

05

### TURN OFF LOCATION TAGGING

Every tagged place builds a map of your movements.

### WATCH FOR FAKE INFLUENCER PROFILES

Clone accounts use stolen photos and promise "collabs" or "prizes."

06

07

### LOG OUT ON SHARED OR SCHOOL DEVICES

Leaving accounts open gives others full control.

### AVOID PASSWORD REUSE

If one password leaks. All accounts become vulnerable.

08

09

### REPORT BULLYING, HARASSMENT, OR FAKE ACCOUNTS

Reporting protects you and others from harm.

### BE CAREFUL WITH PUBLIC WI-FI

Hackers can intercept logins in cafes, malls, and airports.
